Keep your hands on the plow and hold right on

Mary wore three links of chain, every link was Jesus' name.

Keep your hands on the plow and hold right on.

Hold on, hold on.

Keep your hands on the plow and hold right on.

Paul and Silas land in jail, they got nobody to go their bail.
Keep your hands on the plow and hold right on.
Hold on, hold on.
Keep your hands on the plow and hold right on.

Never been to heaven but I've been told
It's a first class city and the streets are gold
Keep your hands on the plow and hold right on
Hold on, hold on.
Keep your hands on the plow and hold right on.

One of these mornings 'bout twelve o'clock, this old world's gonna reel
and rock.
Keep your hands on the plow and hold right on.
Hold on, hold on.
Keep your hands on the plow and hold right on.

When my way gets dark as night
I know the lord will be my light
Keep your hands on the plow and hold right on.
Hold on, hold on.
Keep your hands on the plow and hold right on.

When I get to heaven, gonna sing and shout
Be nobody there to put me out
Keep your hands on the plow and hold right on.
Hold on, hold on.
Keep your hands on the plow and hold right on.

Who's that yonder dressed in red?
Must be the children that Moses led.
Keep your hands on the plow and hold right on
Hold on, hold on.
Keep your hands on the plow and hold right on.

With my two hands on the plow, I don't mind my journey now.
Keep your hands on the plow and hold right on
Hold on, hold on.
Keep your hands on the plow and hold right on.

Preacher said I had to repent,
So right down the aisle I went,
Keep your hands on the plow and hold right on
Hold on, hold on.
Keep your hands on the plow and hold right on.
